### **Cengage Philippine Collection**

Cengage Philippine Collection is specially designed to meet your library's requirement for anything LOCAL and Philippine related. This is a perfect addition to the library's FILIPINIANA section. The contents come from academic journals, Philippine country reports, magazines to the most widely distributed newspapers and leading news agencies in and out of the country.

### **Infotrac E-Journals**

With this product, an institution can access 23,000 peer-reviewed, full-text articles from the world's leading JOURNALS and reference sources. With extensive coverage of the physical sciences, technology, medicine, social sciences, the arts, theology, literature and other subjects, it is both authoritative and comprehensive. It is the only online search platform that has Auto-translation (into 11 languages) and ReadSpeaker (text to audio) feature.

### **Philippine E-Journals**

Exclusive to CE-Logic, Inc., it is an expanding collection of Academic Journals from different colleges, universities, and professional organizations from the Philippines, making the scholarly publication of Filipinos available to researchers and educators around the globe. IP-based or accessible within the library only.

### **GVRL eBooks**

GVRL eBooks are easy to use and allow unlimited simultaneous users — from computers, tablets, and other mobile devices — giving students and educators access anytime, with no special downloads or apps. It covers Business, Technology, Education and related subjects.

### **Taylor and Francis eBooks**

This site offers instant access to the world's premier Humanities, Social Sciences, Behavioral Sciences, Built Environment, STM and Law content — from renowned imprints such as Routledge, Psychology Press and Focal Press. We have more than 45,000 titles available for purchase by institutions via our eBook collections — from general subject areas to interdisciplinary selections hand-picked by our editorial teams.

### **The Computerized Index to Philippine Periodical Articles (CIPPA)**

CIPPA is a database of periodical articles from nearly 200 titles of academic journals, national newspapers, and magazines published in the Philippines and overseas. The articles are carefully selected and indexed in order to provide information about the Philippines, specifically, politics, economics, places and events, entertainment, social trends, editorials and columns, special features, and prominent and influential personalities in different fields. The database provides article citations and bibliographic information on articles appearing from Philippine periodicals from 1988- up to the present. The CIPPA database is available for annual subscription, in CD-Rom format or through online access.
